

## *Meeting Planners – Are You Ready to Treat Your Audience?*

Teresa has a unique way of taking a lukewarm topic such as insurance coding and turning it into a fun, interactive session! Audiences appreciate her sharing of information and her energy.

You don't want to miss out on a speaker that will interact with your audience and answer on-the-spot questions. Participants hit the ground running on Monday mornings – armed with knowledge and empowered to provide superior service!

- *Inspiring*
- *Knowledgeable*
- *Enjoyable*

#### Attendee and Organizer Comments:

Teresa Duncan is a meeting planner's dream! She has passion for her topic and it shines through in her informative and lively presentations. An added bonus—her generosity with attendees. Her preparedness and skill in answering attendee's questions is appreciated and adds such value to her seminars. I can't wait to work with her again! – *Debbie Castagna, Co-founder, The Practice Source and The Consulting U*

It is always a pleasure to hear what Teresa has to say in regard to implants and insurance. – *Carol Wexler Kalnow, Administrator, Dental Implant Institute of Chicago*

Everyone commented on how wonderful of a speaker you were and how you presented the topic in a very interesting way... I hope we'll have another chance in the future to listen to you. - *Thy Nguyen, Co-President, Gorgas Odontological Honor Society, Baltimore College of Dental School, University of Maryland*
